Memorials of Old Derbyshire John Charles Cox 1907

Assassin's Mark Ella Sheridan 2019-05-24 “I inhaled this sexy, gritty, thrilling new series and I can’t wait for more!” — Lara Adrian, NYT Best-selling Author I knew the minute I saw him that Levi Agozi was too perfect to be real. I didn't care. He came to me, asked for me, and, dazzled by his dark good looks and the bad-boy aura surrounding him, I gave in. Willingly. My father is set to become the next governor of Georgia, and he'll use me to get there if he has to. He'll hand me over, virginity and all, to the man with the biggest bank account and political pull. I wanted something more. I wanted Levi. And I had him—until I woke up, disoriented and confused, at his mercy. He’s a bad boy, all right. A sexy, deadly assassin. And I'm the pawn torn between him and my father, two powerful men intent on destroying each other. I might not understand their war, but I do understand one thing: no

matter who wins, I lose.

Choosing for Changing Selves Richard Pettigrew
2020-01-12 What we value, like, endorse, want, and prefer changes over the course of our lives, sometimes as a result of decisions we make-- such as when we choose to become a parent or move to a new country--and sometimes as a result of forces beyond our control--such as when our political views change as we grow older. This poses a problem for any theory of how we ought to make decisions. Which values and preferences should we appeal to when we are making our decisions? Our current values? Our past ones? Our future ones? Or some amalgamation of all them? But if that, which amalgamation? In *Choosing for Changing Selves*, Richard Pettigrew presents a theory of rational decision making for agents who recognise that their values will change over time and whose decisions will affect those future times.

Reframing Prostitution N. Persak 2014-07-07
Prostitution has always fascinated the public and bewildered policy makers. *Reframing Prostitution* explores several aspects of this multidimensional phenomenon, examining different ways in which prostitution is and was being practised in different places and different times, best practices in the regulation of prostitution as well as wider social and psychological issues, such as the construction of prostitution as incivility or of prostitutes as a socially problematic group or as victimised individuals. The book also addresses normative questions with respect to policy making, unmasking the purposes behind certain societal reactions towards prostitution as well as proposing innovative solutions that could reconcile societal fears of exploitation and abuse while meeting the rights and needs of individuals voluntarily involved in prostitution. With contributions across social science disciplines,

Downloaded from shop.eu.franzcollection.com on September 24, 2022 by guest

this international collection presents a valuable discussion on the importance of empirical studies in various segments of prostitution, highlights social contexts around it and challenges regulatory responses that frame our thinking about prostitution, promoting fresh debate about future policy directions in this area.

The Feeling of Life Itself Christof Koch
2020-09-08 An argument that consciousness, more widespread than previously assumed, is the feeling of being alive, not a type of computation or a clever hack. In *The Feeling of Life Itself*, Christof Koch offers a straightforward definition of consciousness as any subjective experience, from the most mundane to the most exalted—the feeling of being alive. Psychologists study which cognitive operations underpin a given conscious perception. Neuroscientists track the neural correlates of consciousness in the brain, the organ of the mind. But why the brain and not, say, the liver? How can the brain, three pounds of highly excitable matter, a piece of furniture in the

universe, subject to the same laws of physics as any other piece, give rise to subjective experience? Koch argues that what is needed to answer these questions is a quantitative theory that starts with experience and proceeds to the brain. In *The Feeling of Life Itself*, Koch outlines such a theory, based on integrated information. Koch describes how the theory explains many facts about the neurology of consciousness and how it has been used to build a clinically useful consciousness meter. The theory predicts that many, and perhaps all, animals experience the sights and sounds of life; consciousness is much more widespread than conventionally assumed. Contrary to received wisdom, however, Koch argues that programmable computers will not have consciousness. Even a perfect software model of the brain is not conscious. Its simulation is fake consciousness. Consciousness is not a special type of computation—it is not a clever hack. Consciousness is about being.

Padre Pio and I Adolfo Affatato 2019-02-13 Adolfo Affatato is one of the last living spiritual sons of St. Pio of Pietrelcina. Recently translated into English, "Padre Pio and I" is the culmination of what he witnessed as he sat by the saint's side for sixteen years. This is not a typical biography by a journalist, friar, or academic; instead, the author presents "the Padre" intimately and personally -- as a father figure who tenderly guided and directed him. This book is filled with riveting new accounts of the mystical side of Padre Pio: from the moment Affatato was called by name by Padre Pio out of a crowd to Padre Pio's characteristic rose-scented fragrance Affatato does not disappoint. Yet, the author's motivation for writing this book is not to boast of supernatural phenomena he was privileged to witness. Instead, it is a response to what Padre

Downloaded from shop.eu.franzcollection.com on September 24, 2022 by guest

Pio once told him some six decades ago: "Give the love that I have put into your heart to those to whom you draw near, because in this is the meaning of life." And Adolfo has spent his adult life responding to that mandate. While most octogenarians spend their final years in repose, Adolfo tirelessly traverses the Italian peninsula giving conferences to audiences of a few dozen or a few thousand. He has spoken to popes, cardinals and countesses and regularly appears on Catholic radio and secular prime-time talk shows alike. And he never accepts a cent for his work; all proceeds for his book sales are donated to a charity. Now for the first time what Adolfo received from Padre Pio is available in English. For those who want to know Padre Pio "more and better" this book is a must read. "This book has touched the heart of Italy; yet, it also touched me. This book can change your life." Andrea Bocelli

Pālemia Peter Swain 2017 Pālemia tells the story of how a boy from an isolated village grew up to

become Prime Minister of Samoa. It follows his journey from Lepa to Apia, Wellington, Brussels, Singapore, Beijing, Tokyo, London, New York and many other international destinations, always returning to Lepa and the Fa'asamoa that shaped him. Tuila'epa Sa'ilele Malielegaoi is Samoa's longest-serving Prime Minister. His premiership has been marked by political and economic crises, natural disasters, regional tensions and local challenges. Tuila'epa's political career started during turbulent times but has resulted in an unprecedented period of political stability and economic development through his leadership in modernising the economy, improving education and health and reducing poverty in Samoa. Pālemia captures the voice, documents the life, and places in context a record of the most significant Samoan political leader of this generation, and contains many useful insights into the social, cultural and economic development of Samoa and the wider Pacific region. 'In collaboration with Peter Swain, a

superb conveyer of information, Tuila'epa narrates his entry into politics and his rise to power. The book is a fascinating biography and provides a stimulating, thoughtful, original and authoritative perspective on Samoan political life - from the inside.' --Professor Stephen Levine.

Strategic Management of Human Capital in Education Allan R. Odden 2011-03-01 Strategic Management of Human Capital in Education offers a comprehensive and strategic approach to address what has become labeled as "talent and human capital." Grounded in extensive research and examples of leading edge districts, this book shows how the entire human resource system in schools—from recruitment, to selection/placement, induction, professional development, performance management and evaluation, compensation, and career progression—can be reformed and restructured to boost teacher and principal effectiveness in ways that dramatically improve instructional practice and student learning. Strategic

Management of Human Capital in Education guides educators towards putting more effective teachers, teacher leaders, and principals in the country's schools—especially in poverty-impacted urban and rural communities—equipping those teacher and principals with instructional and leadership expertise, and rewarding and retaining those who are successful in attaining these objectives. Drawing from cases, experiences, and deliberations from a national task force, this book outlines a comprehensive framework for how to transform current human resource management practices into authentic, strategic talent management systems in order to improve student achievement.

Assassin's Prey Ella Sheridan 2019-06-09
"Assassin Levi Agozi has lived a brutal life, but at his core is a man of strength and honor—my favorite kind of hero. I have added a new autobuy author to my list and her name is Ella Sheridan!" –Lara Adrian, New York Times

bestselling author I killed my first man at the age of twelve. I've been killing ever since. I thought it was all I lived for...until Abby. Until the woman I'd kidnapped became the woman I couldn't walk away from. She owns a piece of me I wouldn't take back, but the rest? The only way to protect her is to hold back the parts inside me that are too ugly to ever reveal. I'll keep her safe, even from me. And it works. We have the nights, and I hunt my way through the days. Alone. Until an attack reveals a threat we didn't see coming. One that could take away the dream I didn't realize I had. Everything. With her. I'm on the hunt of my life. My prey might run, but in this fight—for her, for us—they don't stand a chance.

* ASSASSIN'S PREY is the second book of a duet. It is recommended that you read ASSASSIN'S MARK first to enjoy the full story.

Measuring Health and Disability World Health

Organization 2010 "The World Health Organisation had just published a generic assessment instrument to measure general health and disability levels: the WHO Disability Assessment Schedule, WHODAS 2.0. WHODAS 2.0 is based on the International Classification of Functioning, Disability and Health (ICF). It was developed and tested internationally and is applicable in different cultures both in general populations and in clinical settings. It can be used as a general measure across all diseases. This manual is aimed at public health professionals, doctor, other health professionals (for example rehabilitation professionals, physical therapists and occupational therapists), health policy planners, social scientists and others involved in studies on disability and health." -- Publisher.

athletes of all levels, from elite to recreational, as well as providing long-term health benefits. *Nutrition for Sport, Exercise and Performance* offers a clear, practical and accessible guide to the fundamentals of sport and exercise nutrition. The expert authors begin by explaining key principles, including understanding energy systems, exercise physiology and metabolism. They cover the basics of digestion, absorption and nutrition; examine the key macronutrients and micronutrients essential for performance; and discuss the process of dietary assessment. Part 2 goes on to explore in detail nutrition for pre- and post-training, hydration, the use of supplements and body composition, and provides guidance on developing plans for both individual athletes and teams. The final component examines specific nutrition issues and special needs, including working with elite athletes, strength-and-power athletes, young, older and disabled athletes, endurance sports, GI disturbances and rehabilitation issues. Cultural

issues are also explored, including diets for vegan and vegetarian athletes, and religious perspectives and requirements. Featuring contributions from a range of sport and exercise nutrition professionals and including practical diet plans, diagrams and the latest research and evidence throughout, this is a core reference for undergraduates, nutritionists and trainers.

Problems of Democratisation in Indonesia Edward Aspinall 2010 Alternately lauded as a democratic success story and decried as a flawed democracy, Indonesia deserves serious consideration by anyone concerned with the global state of democracy. Yet, more than ten years after the collapse of the authoritarian Suharto regime, we still know little about how the key institutions of Indonesian democracy actually function. This book, written by leading democracy experts and scholars of Indonesia, presents a sorely needed study of the inner workings of Indonesia...

My Name Is Lita 2018-06

Apostle Tom Bissell 2016-03-01 A profound and moving journey into the heart of Christianity that explores the mysterious and often paradoxical lives and legacies of the Twelve Apostles—a book

both for those of the faith and for others who seek to understand Christianity from the outside in. “Expertly researched and fascinating... Bissell is a wonderfully sure guide to these mysterious men.... This is a serious book about the origins of Christianity that is also very funny. How often can you say that?” —The Independent Peter, Matthew, Thomas, John: Who were these men? What was their relationship to Jesus? Tom Bissell provides rich and surprising answers to these ancient, elusive questions. He examines not just who these men were (and weren't), but also how their identities have taken shape over the course of two millennia. Ultimately, Bissell finds that the story of the apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Bissell embarks on a years-long pilgrimage to the

supposed tombs of the Twelve Apostles. He travels from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan, vividly capturing the rich diversity of Christianity's worldwide reach. Along the way, he engages with a host of characters—priests, paupers, a Vatican archaeologist, a Palestinian taxi driver, a Russian monk—posing sharp questions that range from the religious to the philosophical to the political. Written with warmth, empathy, and rare acumen, *Apostle* is a brilliant synthesis of travel writing, biblical history, and a deep, lifelong relationship with Christianity. The result is an unusual, erudite, and at times hilarious book—a religious, intellectual, and personal adventure fit for believers, scholars, and wanderers alike.

Optimasi perencanaan produksi pada kombinasi produk dengan metode linear programming Didi Pianda 2018-04-16 Naskah buku ini terbagi beberapa bagian, antara lain; bagian pertama pendahuluan, yang berisikan

latar belakang masalah menghantarkan pembaca dalam mengaplikasikan program linear programming. Penulis mengambil kasus pada PT. Ima Mountaz Sejahtera Lhokseumawe, adalah suatu perusahaan yang bergerak dalam industri pengolahan air minum dalam kemasan (AMDK) bermerk MOUNT AQUA dalam kemasan yaitu kemasan 250 ml, kemasan 600 ml, kemasan 1500 ml dan kemasan Gallon (19 liter). Dalam suatu industri adanya kondisi dimana keterbatasan faktor-faktor produksi seperti, bahan baku, tenaga kerja, mesin, modal dan jumlah permintaan mengakibatkan munculnya permasalahan dalam kombinasi produk. Agar mencapai laba yang maksimum maka perusahaan harus menentukan secara tepat jumlah masing-masing jenis produk yang akan dihasilkan, karena setiap jenis produk memerlukan biaya produksi yang berbeda-beda dan akan memberikan keuntungan yang berbeda-beda pula. Untuk menentukan kombinasi produk tersebut akan digunakan

Darkness Falls Cate Tiernan 2012-01-02

Nastasya has lived for hundreds of years, but for some reason, life never seems to get any better. She left her spoiled, rich girl life to find peace at

River's Edge, a safe haven for wayward immortals. There, she learned to embrace River's Edge, despite some drama involving the sexy Reyn, who she wants but won't allow herself to have. But just as she's getting comfortable, her family's ties to dark magick force her to leave. She falls back into her old, hard partying ways, but will her decision lead her into the hands of a dark immortal? Or will it be her first step to embracing the darkness within her?

Tulips on Tuesday Dorothy Cummins

2019-01-21 Beautiful model Tiffany Howell is living her dream; a southern girl who landed a job as a photographers' model based in Manhattan. The work puts her at the top of the pay scale and provides exciting travel opportunities. But when a wealthy financial planner romances her into saying "yes" by sliding a four-karat diamond engagement ring onto her finger, could life get any better for Tiffany? Soon her dream turns into a nightmare. Beaten and battered by the man she promised to marry, she

Downloaded from shop.eu.franzcollection.com on September 24, 2022 by guest

is terrified and doesn't know where to turn. Finally, from a hospital bed, she calls her best friend for help. Susanna and John Hunter rush to Tiffany's aid and whisk her back to their Texas home where Susanna's brother-in-law Gary offers his legal expertise. But is Gary's intention just to help, or will he also seek Tiffany's affection? As Tiffany adjusts to a new life in Texas while the assault trial of her ex-fiancé looms in New York, she rediscovers an old love for dogs and horses, and finds a new cause. She wants to serve others by starting a non-profit organization to help battered women like herself find direction and purpose for their lives. Can Tiffany and Gary, both carrying scars from previous relationships, ever learn to trust and love again?

Pornified Pamela Paul 2007-04-01 "Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television

shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, *Pornified* exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. *Pornified* is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

The Confession of Copeland Cane Keenan Norris 2021-06-15 "Keenan Norris is simply one of the

Downloaded from shop.eu.franzcollection.com on September 24, 2022 by guest

most talented young writers around." - Victor LaValle Copeland Cane V, the child who fell outta Colored People Time and into America, is a fugitive... He is also just a regular teenager coming up in a terrifying world. A slightly eccentric, flip-phone loving kid with analog tendencies and a sideline hustling sneakers, the boundaries of Copeland's life are demarcated from the jump by urban toxicity, an educational apparatus with confounding intentions, and a police state that has merged with media conglomerates--the highly-rated Insurgency Alert Desk that surveils and harasses his neighborhood in the name of anti-terrorism. Recruited by the nearby private school even as he and his folks face eviction, Copeland is doing his damndest to do right by himself, for himself. And yet the forces at play entrap him in a reality that chews up his past and obscures his future. Copeland's wry awareness of the absurd keeps life passable, as do his friends and their surprising array of survival skills. And yet in the aftermath of a

protest rally against police violence, everything changes, and Copeland finds himself caught in the flood of history. Set in East Oakland, California in a very near future, Keenan Norris's *The Confession of Copeland Cane* introduces us to a prescient and startlingly contemporary voice, one that exposes the true dangers of coming of age in America: miseducation, over-medication, radiation, and incarceration. *Assassin's Heart* Ella Sheridan 2019-07-02 My brother believes he made me a killer. The truth is, I've always been different. I can smile while sliding a knife between your ribs—and not feel a moment of regret. Until Leah. A man like me shouldn't have a family. But the minute I opened my eyes from a coma and saw her, I knew I'd forever be tied to her. A nurse who nurtures life. A mother. I've watched her for two years, unable to stop but refusing to give in to the need to have her. To love her. Until the night her daughter is taken. I'll light up the world to get Leah's child back to her. And then I'll walk away for good. Not
