A seductive and intriguing journey from the humble Persian Jewish quarter to the fascinating world of shahs, soothsayers, eunuchs, and sultanas, Harem follows three generations of strong-willed and cunning women: Rebekah—a poor girl married to the abusive blacksmith, Jacob the fatherless—who emerges from her disastrous match with a mysterious brand between her breasts; Gold Dust, Rebekah's treasured daughter, who enters the opulent and perilous world of the harem and captivates the shah with her singing bones; and

Gold Dust's daughter, the revered and feared albino princess Raven, who will one day rule the empire.

we're off to Scotland. Me and my group of hot-as-hell bikers were just finding our rhythm when a knock at the door screwed everything up. Someone's after us. Again. But instead of attacking us directly, they kidnapped the only family any of us have on the outside: an innocent woman, the sister of one of my guys, and a child the club has been protecting since birth. But our enemy wants more than revenge, or they'd have murdered us outright. What do they need from us? Who among us are they really after? None of us have any idea, but their cryptic warning makes it clear that we only have a short time to figure it out. All we have to do is find two missing kidnapping victims in a foreign country while skirting the police and keeping a low profile, since my guys are all

wanted men. No big deal. But if we don't succeed, there will be more blood on our hands than any of us can accept. We have one chance to save a mother and her innocent child—one chance to save our family. We're about to find out what this group is made of. **Her Shifter Harem's Babies [Full Collection]**

Layla Heart 2022-08-25  
Cyra, a rare Omega phoenix shifter, has been hiding from the shifter world for years, but she's about to be dragged back into it in a big way. Cyra feels that she's pretty good at pretending that she's human, she's got a job at a cafe and is a princess for hire for birthday parties for kids. Money is always tight, but she likes her

freedom and that's worth a lot to her. Rare Omegas like her are never truly safe. Either because her parents keep trying to marry her off to some rich Alpha for the money and status it would bring them, or the constant danger of being found out, kidnapped and bred by some random shifter family hoping to gain status from that. Once she's claimed by an Alpha, she'll become the Alpha's property, and she refuses to live like that. But those situations become real possibilities when Cyra finds herself at the start of the shifter mating season with an old car that constantly breaks down and her stash of medication that she uses to hide her Omega status running dangerously low, and no money to afford to do something about either problem. Her problems get even

playboy Alphas, a hydra and a griffin, start showing up at the cafe. Their teasing and interest making her feel things and want things she's sworn to never do with another shifter, for the risk of what could happen is too great for the short enjoyment it would bring. But the final straw is when she accidentally accepts to play a princess at a shifter kid's birthday party and her car breaks down right as she's about to leave. Luckily, or maybe she's just that unlucky, two kind Alphas, a cerberus and a centaur, are able to give her a ride back home. Their kindness making her feel safe and comforted, even when it's not safe for her at all. In a bout of recklessness and a desperate need for the money, she accepts the offer of the cerberus

and centaur to be their date to the yearly Night Gala. An exclusive event at the start of the mating season where Alphas, Betas and Omegas can meet, but it's not uncommon for humans to attend too, as 'dates' or staff. One night of looking pretty and eating fancy food and she'd be able to not only fix her car but afford the medication she needs, the offer is too tempting. What she hadn't expected was for the hydra and the griffin to show up too. Or how all four Alphas would react to her Omega scent. Or how the media would hound them through the city as the five are trying to figure out what's going on. Or, worst of all, how her parents would use this opportunity to get the fame they've always wanted by claiming that the four Alphas have kidnapped ~~Do not read from this ad-~~

Nothing prepares you for finding your sister's lifeless body covered in blood. But when the police arrest her ex, a man I know is innocent, I can't sit by and do nothing. Not when I've been secretly in love with him for years. Heath may not want my help, but I won't take no for an answer. To

catch a killer, I'm forced to take a job at Saint View Prison. Maximum security. The place they send the worst of the worst. But it's not just Heath who doesn't want me there. Rowe, the sinfully sexy head guard has made it clear I don't belong. I'd tell him where to go with my middle finger up, if my skin didn't prickle with awareness every time he touches me. And then there's Liam, hotshot lawyer and my old high school enemy. All that tension and chemistry is still there, burning between us like flames. I need his help, but I'll be damned if I beg for it. With every lie we uncover, every secret we expose, the danger mounts. Until there's only one thing we know for sure. The killer is still out there. And I'm his next target. Locked Up Liars

2004-03-01 "HAREM GIRL" is, at its heart, an engaging and erotic love story. Sapphira, beautiful and assured, tells in unblushing and sensuous detail of her journey through life, briefly as an innocent young girl in Tunisia,

then as one of eleven slave girls in an Arabian sheikh's harem, where her life changes utterly. Shamelessly, she reveals the sheikh's secrets of exotic lovemaking, and writes down all in her journal, her every thought, fear, and pleasure, with pressing frankness. There is much to learn before she is "called" to her Master. Eunuchs train and instruct her in every facet of the art of pleasing a man. ..."on one hand, I looked forward to knowing these things, yet on the other, I was aghast at the way I had to show myself and the distasteful things I might have to do. It thoroughly unnerved me to realize that I must know a man in these ways--a man I scarcely knew..". Her description of life in the harem is compelling and moving, recalling

in those old books. Except in those books, there wasn't blood everywhere. In those books, the characters weren't all male, attractive, and interested in me. Forget everything you know about the Mad Hatter, the White Rabbit, the March Hare ... This isn't Wonderland; this is Underland. Violence, sex, drugs, and magic ... that's all there is in this place. There's me, Allison, and there are the men that want me, the enemies that hunt me, and the darkness that's quickly rolling in. And only I can stop it. So if you're reading this, will you help me? Please. I just want to escape this place and go ... home.

ALLISON'S ADVENTURES IN UNDERLAND (Book 1 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance

novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

### **The Age of Innocence**

Edith Wharton 2002-03-21  
The Age of Innocence  
marks the pinnacle of  
Edith Wharton's career  
as one of the finest  
American novelists of  
her era. The narrative  
follows Newland Archer,  
of upper-crust 1870s New  
York, whose passion for  
the mysterious Countess  
Ellen Olenska leads him  
to question the very  
foundations of his way  
of life. Written in the  
aftermath of World War  
I, the novel explores  
the psychological and  
cultural paradoxes of  
desire in a world  
undergoing unprecedented  
transformations. This  
edition includes a  
critical introduction  
and a range of  
appendices that  
contextualize the novel  
in terms of its

modernist themes and  
tensions.

Disclaimer: The MC is extremely overpowered and talented but also naive/innocent at first due to his illness. If you cannot wait for character developments and dislike OP MCs, this is not your cup of tea. Furthermore, the 'Earth' in this novel is not the same Earth we are currently living on so

do not use our common sense for this novel. This is pure fantasy, after all. -----

### **The Art Of Seduction**

Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this

beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to
