Essential Jazz Henry Martin 2013-01-01 A complete jazz chronology, ESSENTIAL JAZZ delivers a thorough and engaging introduction to jazz and American culture. Designed for nonmajors, this brief text explores the development of jazz, from its 19th century roots in ragtime and blues, through swing and bebop, to fusion and contemporary jazz styles. Unique in its up-to-date coverage, one-third of ESSENTIAL JAZZ is devoted to performers of the 1960s through present-day performers. The text's flexible organization and clear, interesting presentation are designed to appeal to students with little or no music background. Accessible, informative Listening Guides provide a rich sociocultural context for each selection, giving both newcomers and aficionados a true feel for the vibrant, ever-changing sound of jazz. English for Everyone: Teacher's Guide DK 2018-06-05 An essential teacher's companion to an innovative, uniquely visual English-language course, this e-guide helps English teachers--including those for whom English is not their native language--create clear, focused lesson plans, explain difficult concepts in a simple and concise way, and make language learning exciting, intuitive, and incredibly easy. This teacher's e-guide is designed to accompany English for Everyone, a comprehensive course in English as a foreign language for adults. English for Everyone combines innovative and systematic visual teaching methods with the best of DK design to make the English language easy to understand and learn. Key language skills, grammar rules, and vocabulary are reinforced with listening, speaking, reading, and writing exercises, available in print and digital formats. The English for Everyone Teacher's Guide helps busy classroom teachers or one-on-one tutors get the most out of using the course with their students. Its step-by-step guide to the crystal-clear, tightly structured teaching method shows teachers how to explain even the trickiest points of English in an engaging, easy-to-follow way. It also includes instructions for the series' highly versatile exercises, which are primarily suitable for homework, independent study, or one-on-one tutoring, but are readily adapted for classroom or group activities.

The NPR Curious Listener's Guide to Popular Standards Max Morath

2002-02-05 Every major singer from Frank Sinatra to Christina Aguilera. Every major composer from Irving Berlin to Stephen Sondheim. Every major song from a century of favorites. Every major musician and lyricist. Every major styling from blues, jazz, and country to folk, big band, and rock and roll. The most recorded songs of all time. A guide to understanding the "standard" lingo. The evolution of popular music from Tin Pan Alley to contemporary musical theater, and more.

Book Review Digest 1996

Chamber Music James M. Keller 2011 Oxford's highly successful listener's guides--The Symphony, The Concerto, and Choral Masterworks--have been widely praised for their blend of captivating biography, crystal clear musical analysis, and delightful humor. Now James Keller follows these greatly admired volumes with Chamber Music. Approaching the tradition of chamber music with knowledge and passion, Keller here serves as the often

opinionated, always genial guide to 192 essential works by 56 composers, providing illuminating essays on what makes each piece distinctive and admirable. Keller spans the history of this intimate genre of music, from key works of the Baroque through the emotionally stirring "golden age" of the Classical and Romantic composers, to modern masterpieces rich in political, psychological, and sometimes comical overtones. For each piece, from Bach through to contemporary figures like George Crumb and Steve Reich, the author includes an astute musical analysis that casual music lovers can easily appreciate yet that more experienced listeners will find enriching. Keller shares the colorful, often surprising stories behind the compositions while revealing the delights of an art form once described by Goethe as the musical equivalent of "thoughtful people conversing."

Magazines for Libraries William A. Katz 2000

All Music Guide Required Listening Chris Woodstra 2007 Collects reviews for one thousand enduring classic rock albums ranging from the extremely popular to more obscure works.

Participatory Methodologies to Elevate Children's Voice and Agency Ilene R. Berson 2019-03-01 This volume of the Research in Global Child Advocacy Series explores participatory methodologies and tools that involve children in research. Perspectives on the role of children have transitioned from viewing children as objects of research, to children as subjects of research, to acknowledgement of children as competent contributors and agents throughout the inquiry process. Researchers continue to explore approaches that honor the capacity of children, drawing on diverse methodologies to elevate children's voices and actively engage them in the production of knowledge. Nonetheless, despite these developments, questions over the extent to which children can be free of adult filters and influence merits sustained scholarly attention. The book includes chapters that critically examine methodological approaches that empower children in the research process. Contributions include empirical or practitioner pieces that operate from an empowerment paradigm and demonstrate the agenic capacity of children to contribute their perspectives and voices to our understanding of childhood and children's lives. The text also features conceptual pieces that challenge existing theoretical frameworks, critique research paradigms, and analyze dilemmas or tensions related to ethics, policy and power relations in the research process.

Orange Coast Magazine 1995-12 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

form * Biographies of the opera's greatest artists * A survey of classic operas
Listening to Western Music Craig Wright 2016-01-01 Combining a student-friendly presentation with cutting-edge digital resources, LISTENING TO WESTERN MUSIC equips you with the tools to actively listen to and inspire a lifelong appreciation for music. Known for his clear, conversational style, Professor Wright helps you immediately find connections to music by comparing pop and classical music concepts. His text is organized chronologically and discusses musical examples from each era in its social context -- describing the construction and culture of each piece. LISTENING TO WESTERN MUSIC is fully integrated with MindTap to better help you develop your listening skills and maximize your course success. Online resources include interactive exercises, streaming music, Active Listening Guides, chapter and critical thinking quizzes, iAudio lectures, YouTube videos, Beat the Clock games, and more. You also can download all music directly to a music library. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Listener's Guide to Audio Books John Wynne 1995-09-01 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Year's End James S. Dorr 2012-11-26 The countdown has begun, but the only thing striking at midnight will be terror ... New Year's Eve isn't all champagne and confetti. For some, it's filled with regrets, the changing of the day dragging them kicking and screaming into a year for which they aren't prepared. This year, some people will be screaming, but they may not make it to the New Year at all. Join 14 horror authors as they reveal the dark side of our end-of-year celebrations. This anthology of a holiday gone horrifyingly wrong contains stories by James S. Dorr, Richard Godwin, Nicky Peacock, John Stewart Wynne, Steve Shrott, Leah Givens, George Seaton, Kathryn Ohnaka, Jeremy K. Tyler, Betsy Miller, Byron Barton, Steve Bartholomew, Ali Maloney and Foxglove Lee.

Classical Music Alexander J. Morin 2002 Encompassing more than five hundred classical composers past and present, this listener's guide to classical music discusses the best recordings of symphonies, operas, choral pieces, chamber music, and more by the world's leading composers as performed by a variety of outstanding musicians and conductors, and includes essays on the classical repertory, composers, instruments, and more. Original.

Podcast Solutions Michael W. Geoghegan 2008-03-15 A much-needed work focusing on one of the e-community's hottest topics, this is the second edition of a book that covers both video and audio podcasts, as well as updated software and resources. This edition is much improved and updated to cover the latest gear that readers and podcasters want to learn about. Critically, the book also shows how to create video as well as audio podcasts. It provides all the reader needs to know to get heard and now seen online, regardless of his or her level of experience and technical knowledge.

New Sounds John Schaefer 1987 Offers profiles of modern composers and musicians, discusses new trends in music, and looks at the influence of ethnic, folk, and electronic music

Still Competition Robert Lawson 2017-11-13 Following the success of his 2016

book *Razama-Snaz! The Listener's Guide to Nazareth*, Robert Lawson returns with this meticulous reviewing of every Cheap Trick album, song by song. In his book, *Still Competition: The Listener's Guide to Cheap Trick*, Lawson outlines the band's significant television appearances, live shows, and more with the attention to detail only a super fan could provide. A dedicated follower, Lawson has assembled this reference guide out of a love of music and a dedication to fellow fans, but he is not without criticism (often humourously so) when the rockers fall short of his high expectations. He shines the spotlight indiscriminately, which makes him all the more credible a witness to the band's lengthy career. Lawson also seeks input from some of the world's greatest Cheap Trick and classic rock fans, who share stories from epic live shows. Fellow classic rock devotees will love this manual on Cheap Trick's highs, lows, and everything in between.

A Guide for Listening and Inner-Healing Prayer Rusty Rustenbach 2014-02-27 Inner healing is an important part of the Gospel message. You can supernaturally experience healing by exposing the hidden lies that keep you in bondage. This workbook study presents a framework within which you can learn to pray, listen, and receive God's healing in a progressive step-by-step process. Its practical instruction, examples, and personal stories can empower you to deliberately listen to God in ways that bring deep nurture, assurance, and inner healing. Jesus said, "The truth will set you free." Take Him at His word and experience inner healing. Includes questions for discussion and personal reflection.

American Music: A Panorama, Concise Lorenzo Candelaria 2014-01-01 This concise, accessible book describes American music as a panorama of distinct yet parallel streams--hip-hop and Latin; folk and country; gospel and classical; jazz, blues, and rock--that reflect the uniquely diverse character of the United States. Comparing and contrasting musical styles across regions and time, the author delivers a vision of American music both exuberant and inventive--a music that arises out of the history and musical traditions of the many immigrants to America's shores. Life Review In Health and Social Care Jeff Garland 2005-11-08 How can understanding our past help us face the future? The key to gaining awareness of the present and preparing for the future lies in our understanding of the past, yet there is little coverage of this topic in the existing psychology and counselling literature. How can people improve themselves by greater self-knowledge? Jeff and Christina Garland break new ground in making a straightforward presentation of the theory and practice of the everyday process of life review, which is a therapeutic approach for helping clients make sense of their past, and can be used to help change undesirable behaviour and plan for the future. The theory and structure of the life review process are examined, and clinical examples of how it works in practice are given; this includes interviews both with "narrators" (people engaged in life review) and "listeners" (health and social care professionals). These examples demonstrate how professionals can use life review to help their clients overcome difficulties in their lives and face the future with confidence. *Life Review* will appeal to trainees and practitioners in occupational, developmental, clinical and health psychology, social work, counselling, psychotherapy and nursing.

Military Review 1976

The Red Shoes John Stewart Wynne 2013-06-19 "I read this so fast I got blisters turning pages. The Red Shoes is so astonishingly good, original, beautiful and amazing... I think The Red Shoes is a great work of art."—Kate Christensen, winner of the PEN/Faulkner Best American Work of Fiction Award for *The Great Man In The Red Shoes*, narrator John Laith is mourning the untimely death of his partner, Frank, and is trying to recover from that loss. An active participant in a Twelve Step grief recovery group, he has a loving, supportive network of friends. Yet he feels something is missing, an ability to put his sorrow aside and once again feel the full force of life, its promise of excitement and abandon. An opportunity presents itself in the form of a present given to him—a pair of shiny red shoes—by a handsome eighteen-year-old modern dancer, who failed to make his mark in the city as an artist. When Laith helps him following an assault, the dancer has nothing to offer by way of thanks except his red shoes. Laith now possesses the sparkling red shoes. Or perhaps they possess him—propelling him on a perilous journey through both the affluent and seedy sides of a vividly brought to life Manhattan at the turn of the millennium. An innocent in a sinister underworld, Laith tries to survive his newfound ties to unpredictable and chillingly unforgettable characters. Laith inexplicably cannot escape his fascination with exploring the dark side. Is it because of the terrible magical powers of those red shoes? Or is it because of some hidden desire within himself? A riveting battle between the sacred and the profane is at war inside him—and in the end there comes a shocking moment of realization where he must finally choose between them.

TOEFL Paper-and-Pencil Janet Shanks 2004 Offers proven strategies for the paper version of the TOEFL, offering three full-length practice tests and accompanying audio CDs, practice conversations, and a section on U.S. university admissions.

At the end of every knowledge cluster, a multiple choice test simulates the questions on the national RHIA and RHIT

Modern Listener Guide: Jimi Hendrix Frank Moriarty 2018-11-26 "As the iconic status of legendary musician Jimi Hendrix looms larger with each passing year, there is a continual generation of new listeners just discovering his work. They may know he is important by how often he is name-checked by today's top musicians but they soon discover there is a complicated and confusing body of Hendrix material spread across many titles and record labels. With informed commentary and spirited critical perspective, Moriarty expertly leads the way through the studio sessions, live concert recordings, and myriad album and box set releases that compose the legacy of one of the world's great guitarists and musical personalities. By balancing a colorful, up-to-date and historically accurate portrait of Jimi's life and career interspersed with insightful commentary of dozens of significant releases that stand as cornerstones of his creativity, this book will appeal to those already familiar with Jimi's compelling music and unforgettable life"--Back cover.

The Essential Listening to Music Craig Wright 2015-01-01 Offering outstanding listening pedagogy, THE ESSENTIAL LISTENING TO MUSIC 2e delivers a streamlined and succinct presentation of classical music that inspires a lifelong appreciation of music. Scholar and master-teacher Craig Wright focuses on the key concepts and works presented within a typical Music Appreciation course. Organized chronologically, the text discusses musical examples from each historical period within its social context--giving students a sense of a piece's construction as well as its historical and cultural meaning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Sound Heritage Jeanice Brooks 2021-12-31 Sound Heritage is the first study of music in the historic house museum, featuring contributions from both music and heritage scholars and professionals in a richly interdisciplinary approach to central issues. It examines how music materials can be used to create narratives about past inhabitants and their surroundings - including aspects of social and cultural life beyond the activity of music making itself - and explores how music as sound, material, and practice can be more consistently and engagingly integrated into the curation and interpretation of historic houses. The volume is structured around a selection of thematic chapters and a series of shorter case studies, each focusing on a specific house, object or project. Key themes include: Different types of historic house, including the case of the composer or musician house; what can be learned from museums and galleries about the use of sound and music and what may not transfer to the historic house setting Musical instruments as part of a wider collection; questions of restoration and public use; and the demands of particular collection types such as sheet music Musical objects and pieces of music as storytelling components, and the use of music to affectively colour narratives or experiences. This is a pioneering study that will appeal to all those interested in the intersection between Music and Museum and Heritage Studies. It will also be of interest to scholars and researchers of Music History, Popular Music, Performance Studies and Material Culture.

Reference Services and Media Linda S Katz 2014-07-16 Get the most out of your reference information systems and technology! Reference Services and Media meets the information challenges that overwhelm and assist us today with computerization, electronics, and telecommunications changes in the reference services of our libraries. As a professional in the library science field, you will discover innovative theories and researched solutions on many technology problems and challenges such as formatting and compatibility, training of reference professionals and library users, costs, and information have and have nots. You will also examine the impact new media has on academic libraries, specifically video and movie clips that are transferred over intranets and internets and their opportunities and legal implications. In Reference Services and Media you will also explore: desktop conferencing and web access for reference services versus personalized contact desktop conferencing with personal computers in remote areas for reference service assistance positive and negative aspects of using each technology in reference use instruction creative methods for procuring funding for an electronic information literary instruction classroom providing a digital library for a state library network raising confidence levels of public service librarians in using electronic resources to answer reference questions Reference Services and Media includes case studies, tables, and an annotated bibliography that serves as a librarian's media reference toolkit, making it essential for effective media reference work. An excellent source for the reference librarian, Reference Services and Media will assist you in adopting and incorporating new

information technologies for the present and future.

Excursions in World Music, Seventh Edition Bruno Nettl 2016-08-05 Excursions in World Music is a comprehensive introductory textbook to world music, creating a panoramic experience for students by engaging the many cultures around the globe and highlighting the sheer diversity to be experienced in the world of music. At the same time, the text illustrates the often profound ways through which a deeper exploration of these many different communities can reveal overlaps, shared horizons, and common concerns in spite of and, because of, this very diversity. The new seventh edition introduces five brand new chapters, including chapters by three new contributors on the Middle East, South Asia, and Korea, as well as a new chapter on Latin America along with a new introduction written by Timothy Rommen. General updates have been made to other chapters, replacing visuals and updating charts/statistics. Excursions in World Music remains a favorite among ethnomusicologists who want students to explore the in-depth knowledge and scholarship that animates regional studies of world music. A companion website is available at no additional charge. For instructors, there is a new test bank and instructor's manual. Numerous student resources are posted, including streamed audio tracks for most of the listening guides, interactive quizzes, flashcards, and an interactive map with pinpoints of interest and activities. An ancillary package of a 3-CD set of audio tracks is available for separate purchase.
