American Government: Institutions and Policies, Brief Version James Q. Wilson 2016-12-19 This popular brief text for the one-semester or one-quarter American Government course maintains the framework of the Wilson, Dilulio, Bose, and Levendusky comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. The 13th edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, BRIEF VERSION, offers coverage of the 2014 and 2016 campaigns and elections; budget battles and the sequestration of funds; ongoing debates about immigration, gay marriage, and other key issues in American politics; and foreign-policy decisions on Afghanistan, the Middle East, and North Korea. We have also reworked each chapter to focus on a clear set of learning objectives to guide students through the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Art of Reading Scripture Ellen F. Davis 2003-10-02 The difficulty of interpreting the Bible is felt all over today. Is the Bible still authoritative for the faith and practice of the church? If so, in what way? What practices of reading offer the most appropriate approach to understanding Scripture? The church's lack of clarity about these issues has hindered its witness and mission, causing it to speak with an uncertain voice to the challenges of our time. This important book is for a twenty-first-century church that seems to have lost the art of reading the Bible attentively and imaginatively. The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment. Asking how best to read the Bible in a postmodern context, the contributors together affirm up front "Nine Theses" that provide substantial guidance for the church. The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses. Lucidly conceived, carefully written, and shimmering with fresh insights, The Art of Reading Scripture proposes a far-reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible. Contributors: Gary A. Anderson Richard Bauckham Brian E. Daley Ellen F. Davis Richard B. Hays James C. Howell Robert W. Jenson William Stacy Johnson L. Gregory Jones Christine McSpadden R. W. L. Moberly David C. Steinmetz Marianne Meye Thompson

American Government Glen Krutz 2016-07-14 "Published by OpenStax College, American Government is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation,

to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project."--BC Campus website.

The Federalist Papers Alexander Hamilton 2018-08-20 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyze the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

American Government: Institutions and Policies James Q. Wilson 2014-01-01 Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES sets the standard for public policy coverage while maintaining focus on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives framing each chapter, Constitutional Connections relating current issues to founding principles, and How Things Work boxes that illustrate important concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The System States Rebellion Dietmar Arthur Wehr 2019-11-13 This omnibus edition includes all three books of the System States Rebellion series with over 200,000 words of military SF action. Included in this ebook are the following novels; Rumors of Glory; Rumors of Honor and Rumors of Salvation. The first book, Rumors of Glory, can still be downloaded individually and is free. After centuries of peaceful expansion under the auspices of the Federation of Planetary States, some of the more developed colonies have had enough of the economic exploitation by Earth-chartered companies and attempt to secede. The Rebellion soon expands in both scope and violence beyond the expectations of both sides. As the war drags on year after year, it takes an unexpected turn and puts not only Human Civilization at risk but Human existence as well. This ebook has both space and ground battles, high level strategy, personal triumphs and tragedies.

Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén

2010-12-01 With ca. 120 articles from ca. 100 writers from ca. 20 countries, this publication forms a repository where students and scholars can readily get to know their way around the breadth of recent research on the historical Jesus.

A People's History of the United States Howard Zinn 2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Smart Guide to the Bible Larry Richards 2006-11-12 The Bible is the best-selling book in history, but it can also be hard to understand. The *Smart Guide to the Bible*: The Bible guides you through all 66 books of the Old and New Testaments, so you can see both the big picture and the Divine details that support and carry forth God's master plan. From "In the beginning" to the final "Amen" you will gain the knowledge, confidence, and clarifications you've always wanted about God's words to you.

David, the King Robert C. Hereth 2001-04-30 What name appears throughout the Bible more than any other? David, the king. A millennium after Abraham and a millennium before Jesus, David united the 12 tribes of Israel for a brief moment of history; but more important, he emerges from the mists of ancient times as a person of God of inspiring nobility but also of base venality. In order that we may learn from David and appropriate his great truths for our own faith journey, *David, the King* recasts the dramatic events of his life into our own profane, secularized time. The great stories of David posed as many questions as they did answers. How did the love/hate relationship between David and his predecessor King Saul come about? How could David endure the persecution by an increasingly manic Saul? What was it like for Jonathan to be torn between his love for his father, Saul, and his dear friend David? Why would noble David tolerate the murderous Joab? Why would David permit Amnon to get away with his cynical rape of Tamar? What happened to Abigail, David's sweet love? What kind of God kills Bathsheba's baby from David's rape, then gives them Solomon? In *David, the King* the events of his life are set in our modern times so that we can more easily consider the greatness and failures of David's life with and against and through God. At the end of his life, we read in the Bible that a young woman was brought to him to warm him back to life, though not sexually. In this novel David has a surprise visit from Laurel, a granddaughter he has never met. She desperately wants to know him and learn of his life for reasons which she cannot disclose. He recounts his great story for her, a story set in the novel in the last three-quarters of the

20th century. In the course of his recounting all that happened to him, her critical need becomes apparent. In seeking to understand her grandfathers faith journey, Laurel is launched on her own. And David, in order to help her, is once again aroused to find and put into action the qualities which made him David, the King for posterity. In the novel Laurel finds David in the forests of the upper Midwest where he grew up in the family of Jesse, the youngest of eight sons. Before the famous encounter with the giant Goliath, there were intimations in the Bible of a brave and precocious child, one who could stand up to wild animals, who grew up to be a brave soldier. There was a secret anointing by Samuel of the lad. Also there were glimpses of early favorable contacts with King Saul--as Saul's spear carrier and as a musician who can sooth the moody monarch. Therefore David, the King fabricates a childhood for David where he can encounter bears and lions and where dauntless courage can be developed. His preliminary involvement with King Saul and his family occurs, and the stage is set for David's encounter with the Giant. Saul has been employed as head of Kingdom Advertising Associates to try to pull together into a loose confederation 12 separate agencies scattered about the country. They are threatened by a powerful Eastern enemy, the Phillips Company, which--as David arrives on the scene--has challenged KAA on its home turf with The Giant. A huge, boisterous, arrogant politician, The Giant is determined to embarrass and so destroy KAA. David alone dares to face him. He leads a campaign which in effect cuts off the head of The Giant once and for all. David, the King challenges us to ourselves risk the leap of faith, to find courage where it is needed, to discover we are God's choice for our present circumstances, to learn for ourselves we are never alone, and therefore to believe we can always live with hope.

Constitution Study Guide Christine Compston 2001 A History of the United States' well-told story and expanded program are designed to address your changing curriculum and classroom needs. Author Daniel Boorstin "Librarian of Congress Emeritus, and winner of the Bancroft, Parkman, and Pulitzer prizes" tells the story of American history in an engaging style that reaches today's students.

Learn about the United States U. s. Department of Homeland Security 2009 "Learn About the United States" is intended to help permanent residents gain a deeper understanding of U.S. history and government as they prepare to become citizens. The product presents 96 short lessons, based on the sample questions from which the civics portion of the naturalization test is drawn. An audio CD that allows students to listen to the questions, answers, and civics lessons read aloud is also included. For immigrants preparing to naturalize, the chance to learn more about the history and government of the United States will make their journey toward citizenship a more meaningful one.

Christian Reading Companion for 50 Classics James P. Stobaugh 2013-01 They present characters that grip your attention and pull at your heart. The Dawn of Everything David Graeber 2021-11-09 INSTANT NEW YORK TIMES BESTSELLER A dramatically new understanding of human history, challenging our most fundamental assumptions about social evolution—from the development of agriculture and cities to the origins of the state, democracy, and inequality—and revealing new possibilities for human emancipation. For generations, our remote ancestors have been cast as primitive and childlike—either free and equal innocents, or thuggish and warlike. Civilization, we are told, could be achieved only by sacrificing those original freedoms or, alternatively, by taming our baser instincts. David Graeber and David Wengrow show how such theories first emerged in the eighteenth century as a conservative reaction to powerful critiques of European society posed by Indigenous observers and

intellectuals. Revisiting this encounter has startling implications for how we make sense of human history today, including the origins of farming, property, cities, democracy, slavery, and civilization itself. Drawing on pathbreaking research in archaeology and anthropology, the authors show how history becomes a far more interesting place once we learn to throw off our conceptual shackles and perceive what's really there. If humans did not spend 95 percent of their evolutionary past in tiny bands of hunter-gatherers, what were they doing all that time? If agriculture, and cities, did not mean a plunge into hierarchy and domination, then what kinds of social and economic organization did they lead to? The answers are often unexpected, and suggest that the course of human history may be less set in stone, and more full of playful, hopeful possibilities, than we tend to assume. The Dawn of Everything fundamentally transforms our understanding of the human past and offers a path toward imagining new forms of freedom, new ways of organizing society. This is a monumental book of formidable intellectual range, animated by curiosity, moral vision, and a faith in the power of direct action. Includes Black-and-White Illustrations

Survey of Historic Costume Student Study Guide Phyllis G. Tortora 2015-03-12 This study guide is a tool to help students get the most out of Survey of Historic Costume, 6th Edition. Following the chapters of the textbook, the Student Study Guide includes chapter objectives, key terms, historic overviews, chapter summaries, chapter quizzes, image-analysis exercises, garment analysis worksheets, glossary of key terms, and a fashion garment guide—a mini-dictionary identifying basic garment terminology with illustrations. By providing a consistent approach to all of the chapters in this text, the guide provides a vehicle that enhances the journey students will take through time and place—making the study of historic costume accessible, memorable and exiting. This text is a companion to Survey of Historic Costume 6th Edition (978-1-62892-167-0). For access to the free eBook version, order the Survey of Historic Costume 6th Edition + STUDIO bundle ISBN 9781501395253.

Multilingualism and Ageing 2020-10-20 Multilingualism and Ageing provides an overview of research on a large range of topics relating to language processing and use from a life-span perspective. It covers and combines psycholinguistic and sociolinguistic approaches on the topic multilingualism and ageing.

Survey of Historic Costume Study Guide Phyllis G. Tortora 2009-06-15 Fairchild's Survey of Historic Costume Study Guide is designed to guide students through each chapter of Survey of Historic Costume 5th edition (ISBN: 9781563678066) and help them identify and synthesize core information. With its emphasis on the text and flexibility to be adapted to different course structures and methods, this resource is a valuable tool for instructors as well as students. For every chapter, the Study Guide includes concise Historical Snapshots to situate students in time; At a Glance; tables summarizing of key information about dress from the time period covered by each chapter; space to take notes about major content and themes; questions to help students identify this information in the text; activities in which students must sketch or describe key styles; and further review questions. The Study Guide also provides students with a complete glossary of key terms used throughout the text.

The United States Constitution Study Guide Academic Solutions, Inc 2003-06-01 On July 4, 1776, the United States declared itself a free and independent nation. Two weeks later, the Continental Congress began working on the Articles of Confederation to create a government for the new country. By 1787 that government was found to be ineffective. A convention was called to amend the articles. The delegates quickly realized amendment wasn't enough, a new type of government had to be created. The result of their deliberations was the Constitution of the United States, ratified in 1789. The First Congress proposed ten amendments, known as the Bill of Rights. Over the next 210 years there were seventeen more amendments. This book will help you to read, study and understand the founding documents of our nation as well as the rights and responsibilities of our government and citizens.

Notes on the State of Virginia Thomas Jefferson 1825

The American Political Science Review Westel Woodbury Willoughby 1923 American Political Science Review (APSR) is the longest running publication of the American Political Science Association (APSA). It features research from all fields of political science and contains an extensive book review section of the discipline.

From Saladin to the Mongols R. Stephen Humphreys 1977-01-01 Upon the death of Saladin in 1193, his vast empire, stretching from the Yemen to

the upper reaches of the Tigris, fell into the hands of his Ayyubid kinsmen. These latter parceled his domains into a number of autonomous principalities, though some common identity was maintained by linking these petty states into a loose confederation, in which each local prince owed allegiance to the senior member of the Ayyubid house. Such an arrangement was, of course, highly unstable, and at first glance Ayyubid history appears to be no more than a succession of unedifying squabbles among countless rival princelings, until at last the family's hegemony was extinguished by two events: 1) a coup d'état staged by the palace guard in Egypt in 1250, and 2) the Mongol occupation of Syria, brief but destructive, in 1260. But appearances to the contrary, the obscure quarrels of Saladin's heirs embodied a political revolution of highest importance in Syro-Egyptian history. The seven decades of Ayyubid rule mark the slow and sometimes violent emergence of a new administrative relationship between Egypt and Syria, one in which Syria was subjected to close centralized control from Cairo for the unprecedented period of 250 years. These years saw also the gradual decay of a form of government--the family confederation--which had been the most characteristic political structure of Western Iran and the Fertile Crescent for three centuries, and its replacement by a unitary autocracy. Finally, it was under the Ayyubids that the army ceased to be an arm of the state and became, in effect, the state itself. When these internal developments are seen in the broader context of world history as it affected Syria during the first half of the thirteenth century--Italian commercial expansion, the Crusades of Frederick II and St. Louis, the Mongol expansion--then the great intrinsic interest of Ayyubid history becomes apparent. Professor Humphreys has developed these themes through close examination of the political fortunes of the Ayyubid princes of Damascus. For Damascus, though seldom the capital of the Ayyubid confederation, was, nevertheless, its hinge. The struggle for regional autonomy vs. centralization, for Syrian independence vs. Egyptian domination, was fought out at Damascus, and the city was compelled to stand no less than eleven sieges during the sixty-seven years of Ayyubid rule. Almost every political process of real significance either originated with the rulers of Damascus or was closely reflected in their policy and behavior. The book is cast in the form of a narrative, describing a structure of politics which was in no way fixed and static, but dynamic and constantly evolving. Indeed, the book does not so much concern the doings of a group of rather obscure princes as it does the values and attitudes which underlay and shaped their behavior. The point of the narrative is precisely to show what these values were, how they were expressed in real life, and how they changed into quite new values in the course of time.

NIV, Quest Study Bible, eBook Christianity Today Intl., 2011-12-20 Find answers to over 7,000 questions about the Bible. Get answers to the Bible questions you have... and questions you haven't yet pondered! The NIV Quest Study Bible features over 7,000 notes written in an engaging question and answer format that give insight into the common, uncommon, and sometimes perplexing passages from the Bible. You will have the opportunity to consider questions like "Why did God send angels to Jacob?," "What prevents God from hearing our prayers?," and "Why does God test us?" as you explore God's Word using the many study helps. The original Quest Study Bible was conceived in 1989 when two publishing companies, Zondervan and Christianity Today International, worked together to develop a Bible that would answer the challenging questions that arose as people read Scripture. Focus groups around the United States evaluated the usefulness of potential study Bible features and helped select the features that would be included in this Bible. Then, more than 1,000 people received passages of Scripture and were asked, "What questions do you have about this portion of the Bible?" Their responses helped determine what kinds of questions the notes would answer, helping to create a resource that answers the questions that real people have asked about the Bible. Notes have been updated in subsequent releases to ensure that this Bible stays relevant and current to modern readers. Features: Complete text of the accurate, readable, and clear New International Version (NIV) Over 7,000 insightful notes arranged in a unique question and answer format Nearly 350 articles investigate the most asked questions about the Bible Book introductions that answer questions about each book, such as "Who wrote it?," "Why?," and "What should I look for?" Article index and expanded subject index Single-column Scripture text arranged in a modern, two-color page design Over 150 charts, timelines, and maps A reading plan with three distinct tracks to follow NIV Dictionary-Concordance 16-page full-color map section
