The Rural Life Verlyn Klinkenborg 2007-09-03 The former member of the New York Times editorial board offers a collection of essays that illuminate the beauty of the American landscape. With an eloquence unmatched by any other living writer, Verlyn Klinkenborg observes the juncture at which our lives and the natural world intersect. His yearlong meditation on the rigors and wonders of country life—encompassing memories of his family's Iowa homestead, time spent in the wide-open spaces of the American West, and his experiences on the small farm in upstate New York where he lives with his wife—abounds with various pleasures for the readers as it indelibly records and elaborates the everyday beauty of the world we inhabit. A New York Times Notable Book of the Year A Book Sense 76 Pick "Captivating, subtle,

and splendid Klinkenborg really is a Thoreau for today Nonfiction storytelling at its highest: unflaggingly lovely, with scope, profundity, and power achieved through a mastering of the delicate." —Kirkus Reviews "In a voice reminiscent of E. B. White, Klinkenborg paints a picture of a fading world in colors that are solid and authentic. His joy is evident throughout." —Los Angeles Times "Arresting, even profound, forcing us to look at the world in a new way." —Chicago Tribune

Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home." Through the decades, he befriends several caretakers but is heartbroken when each eventually leaves him. Determined not to be hurt again, he vows to no longer let hope of lifelong friends and family torment him. That changes after he is moved into a nursing home and meets a young teen named Trevor Ladd; he sees something in the boy and decides to risk friendship one last time. Trevor, new to town and a bit of a loner, is at first weary of the old man in the wheelchair. But after hearing more of his story, Trevor learns that there is much more to Petey than meets the eye. Petey is a touching story of friendship, discovery, and the uplifting power of the human spirit.

Crap CVs Jenny Crompton 2014-10-09 Application for Employment I refer to the recent death of the Technical Manager at your company and hereby apply for the

replacement of the deceased manager. Each time I apply for a job, I get a reply that there is no vacancy but in this case I have caught you red-handed and you have no excuse because I even attended the funeral to be sure that he was truly dead and buried before applying. Attached to my letter is a copy of my CV and his death certificate. Crap CVs is a hilarious compilation of the worst job applications imaginable, including overly-honest cover letters, embarrassing typos, mortifying personal revelations, awkward interview questions, misplaced self-confidence, self-aggrandizing gibberish, blatant truth-twisting and, of course, outright lies.
