

The Dead Hand The Untold Story Of The Cold War Arms Race And Its Dangerous Legacy

As recognized, adventure as skillfully as experience virtually lesson, amusement, as skillfully as contract can be gotten by just checking out a ebook **The Dead Hand The Untold Story Of The Cold War Arms Race And Its Dangerous Legacy** then it is not directly done, you could recognize even more in the region of this life, as regards the world.

We pay for you this proper as capably as simple mannerism to get those all. We come up with the money for The Dead Hand The Untold Story Of The Cold War Arms Race And Its Dangerous Legacy and numerous books collections from fictions to scientific research in any way. in the course of them is this The Dead Hand The Untold Story Of The Cold War Arms Race And Its Dangerous Legacy that can be your partner.

The Hot Zone Richard Preston 1995 Imagine a killer with the infectiousness of the common cold and power of the Black Death.

Imagine something so deadly that it wipes out 90% of those it touches. Imagine an organism against which there is no defence. But you don't need to imagine. Such a killer

exists: it is a virus and its name is Ebola. The Hot Zone tells what happens when the unthinkable becomes reality: when a deadly virus, from the rain forests of Africa, crosses continents and infects a monkey house ten miles from the White House. Ebola is that reality. It has the power to decimate the world's population. Try not to panic. It will be back. There is nothing you can do...

The Rebellion of Ronald Reagan Jim Mann
2009 The author of Rise of the Vulcans presents a controversial analysis of the fortieth president's role in ending the cold war, in a provocative report that challenges popular beliefs, reveals lesser-known aspects of the Reagan administration's foreign policy, and cites the contributions of such figures as Nixon, Kissinger, and Gorbachev.

Dead Man's Hand Victoria Wilcox
2019-09-01 You've heard Doc Holliday's history, but do you know his story? Dead

Man's Hand brings John Henry Holliday to Tombstone, Arizona, the richest silver boomtown in the country, where he's caught up in a secretive plot to stop a gang of cattle rustlers and stage robbers before they start a threatened war with Mexico. When suspicions rise and tempers ignite, the plot turns into a war between cowboys and lawmen, and he becomes a player in the most famous street fight in the Wild West. The aftermath brings retribution and a reckoning that sends John Henry and his friend Wyatt Earp fleeing for their lives, but a hoped-for sanctuary in Colorado is broken by legal battles that attract national newspaper coverage and hired guns hoping for a moment of fame against the infamous Doc Holliday. He can never return to the life he once knew, and as the mountain altitude and illness take their toll, he is forced to turn to the one person he thought he'd never see again. And with luck, he'll have

one last chance to prove himself as the Southern gentleman he was raised to be. *Dead Man's Hand* is the final book in the award-winning Saga of Doc Holliday, an epic American tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love.

The Things They Carried Tim O'Brien 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three.

Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Dead Hand David Hoffman 2009-09-22 WINNER OF THE PULITZER PRIZE The first full account of how the Cold War arms race finally came to a close, this riveting narrative history sheds new light on the people who struggled to end this era of massive overkill, and examines the legacy of the nuclear, chemical, and biological weapons that remain a threat today. Drawing on memoirs, interviews in both

Russia and the US, and classified documents from deep inside the Kremlin, David E. Hoffman examines the inner motives and secret decisions of each side and details the deadly stockpiles that remained unsecured as the Soviet Union collapsed. This is the fascinating story of how Reagan, Gorbachev, and a previously unheralded collection of scientists, soldiers, diplomats, and spies changed the course of history.

The Billion Dollar Spy David E. Hoffman
2015-07-07 From the author of the Pulitzer Prize-winning history *The Dead Hand* comes the riveting story of a spy who cracked open the Soviet military research establishment and a penetrating portrait of the CIA's Moscow station, an outpost of daring espionage in the last years of the Cold War While driving out of the American embassy in Moscow on the evening of February 16, 1978, the chief of the CIA's Moscow station heard a knock on his car window. A man on

the curb handed him an envelope whose contents stunned U.S. intelligence: details of top-secret Soviet research and developments in military technology that were totally unknown to the United States. In the years that followed, the man, Adolf Tolkachev, an engineer in a Soviet military design bureau, used his high-level access to hand over tens of thousands of pages of technical secrets. His revelations allowed America to reshape its weapons systems to defeat Soviet radar on the ground and in the air, giving the United States near total superiority in the skies over Europe. One of the most valuable spies to work for the United States in the four decades of global confrontation with the Soviet Union, Tolkachev took enormous personal risks—but so did the Americans. The CIA had long struggled to recruit and run agents in Moscow, and Tolkachev was a singular breakthrough. Using spy cameras and secret

codes as well as face-to-face meetings in parks and on street corners, Tolkachev and his handlers succeeded for years in eluding the feared KGB in its own backyard, until the day came when a shocking betrayal put them all at risk. Drawing on previously secret documents obtained from the CIA and on interviews with participants, David Hoffman has created an unprecedented and poignant portrait of Tolkachev, a man motivated by the depredations of the Soviet state to master the craft of spying against his own country. Stirring, unpredictable, and at times unbearably tense, *The Billion Dollar Spy* is a brilliant feat of reporting that unfolds like an espionage thriller.

The Dead and the Dark Courtney Gould
2021-08-03 "Imagine Riverdale crossing streams with Stephen King's *The Outsider* and you'll get a sense of this gripping supernatural mystery...Gould's debut begins as a snappy paranormal yarn and unspools

into a profound story about the complex interplay between grief, guilt, and identity." - Oprah Daily
Courtney Gould's thrilling YA debut *The Dead and the Dark* is about the things that lurk in dark corners, the parts of you that can't remain hidden, and about finding home in places—and people—you didn't expect. *The Dark* has been waiting—and it won't stay hidden any longer. Something is wrong in Snakebite, Oregon. Teenagers are disappearing, some turning up dead, the weather isn't normal, and all fingers point to TV's most popular ghost hunters who have just come to town. Logan Ortiz-Woodley, daughter of TV's *ParaSpectors*, has never been to Snakebite before. But the moment she and her dad arrive, she starts to get the feeling that there's more than ghosts plaguing this small town. Ashley Barton's boyfriend was the first teen to go missing, and she's felt his ghost following her ever since. Although everyone

shuns the Ortiz-Woodleys, the mysterious Logan may be the only person who can help Ashley get some answers. When Ashley and Logan team up to figure out who—or what—is haunting Snakebite, their investigation reveals truths about the town, their families, and themselves that neither of them are ready for. As the danger intensifies, they realize that their growing feelings for each other could be a light in the darkness.

Unbroken Laura Hillenbrand 2014-07-29
#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an

airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year

by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of

sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*
The Dead Zone Stephen King 2016-01-01
Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about

a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a "compulsive page-turner" (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With "powerful tension that holds the reader to the story like a pin to a magnet" (The Houston Post), *The Dead Zone* is a "faultlessly paced...continuously engrossing" (Los Angeles Times) novel of second sight.

The Dead Hand David Hoffman 2010 A

history of the end of the arms race describes the Soviet Union's development of an automatic retaliatory attack system, the United States's efforts to create space-based missile defenses, and the struggle to prevent nuclear weapons from being acquired by terrorists.

What the Dead Want Norah Olson 2016-07-26 Haunting photographs and dark family secrets make this second spine-tingling novel from Norah Olson the perfect read for fans of creepy, suspenseful teen fiction. A love of photography, an old camera, and countless questions—these are all that sixteen-year-old Gretchen has left of her mother, who mysteriously disappeared years ago. Now she must return to the place where her mom vanished—a decaying mansion that Gretchen has suddenly inherited from her great-aunt Esther. However, Gretchen won't find the answers she's seeking without unraveling the secrets

that lurk inside the house. There are stacks of photographs and letters from her ancestors that go back centuries, pointing to some kind of haunting past. But when proof of the mansion's dark history appears to Gretchen in the form of ghostly visions and the soft, eerie whisper of her mother's voice, there's no doubt that something sinister has taken place there. No matter how scared she might be, Gretchen must somehow uncover the reasons why this indescribable force has descended upon her family and find a way to set everyone—even the dead—free.

Devil's Knot Mara Leveritt 2014-01-30 Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three

innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal

history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

The Dead Hand David Emanuel Hoffman 2009 A history of the end of the arms race describes the Soviet Union's development of an automatic retaliatory attack system, the United States's efforts to create space-based missile defenses, and the struggle to prevent nuclear weapons from being acquired by terrorists.

The Bomb Gerard DeGroot 2011-09-30 Before the Bomb, there were simply 'bombs', lower case. But it was the twentieth century, one hundred years of almost incredible scientific progress, that saw the birth of the Bomb, the human race's most powerful and most destructive discovery. In this magisterial and enthralling account, Gerard DeGroot gives us the life

story of the Bomb, from its birth in the turn-of-the-century physics labs of Europe to a childhood in the New Mexico desert of the 1940s, from adolescence and early adulthood in Nagasaki and Bikini, Australia and Siberia to unsettling maturity in test sites and missile silos all over the globe. By turns horrific, awe-inspiring and blackly comic, *The Bomb* is never less than compelling.

Eruption: The Untold Story of Mount St. Helens Steve Olson 2016-03-07 A riveting history of the Mount St. Helens eruption that will "long stand as a classic of descriptive narrative" (Simon Winchester). For months in early 1980, scientists, journalists, and nearby residents listened anxiously to rumblings from Mount St. Helens in southwestern Washington State. Still, no one was prepared when a cataclysmic eruption blew the top off of the mountain, laying waste to hundreds of square miles of

land and killing fifty-seven people. Steve Olson interweaves vivid personal stories with the history, science, and economic forces that influenced the fates and futures of those around the volcano. Eruption delivers a spellbinding narrative of an event that changed the course of volcanic science, and an epic tale of our fraught relationship with the natural world.

Catch Me If You Can Frank W. Abagnale
2002-11-19 The uproarious, bestselling true story of the world's most sought-after con man, immortalized by Leonardo DiCaprio in DreamWorks' feature film of the same name, from the author of Scam Me If You Can. Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams, and Robert Monjo, was one of the most daring con men, forgers, imposters, and escape artists in history. In his brief but notorious criminal career, Abagnale donned a pilot's uniform and copiloted a Pan Am jet,

masqueraded as the supervising resident of a hospital, practiced law without a license, passed himself off as a college sociology professor, and cashed over \$2.5 million in forged checks, all before he was twenty-one. Known by the police of twenty-six foreign countries and all fifty states as "The Skywayman," Abagnale lived a sumptuous life on the lam—until the law caught up with him. Now recognized as the nation's leading authority on financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades, and ingenious escapes—including one from an airplane—make *Catch Me If You Can* an irresistible tale of deceit.

Dead Hands Lawrence M. Friedman
2009-03-09 The law of succession rests on a single brute fact: you can't take it with you. The stock of wealth that turns over as people die is staggeringly large. In the United States alone, some \$41 trillion will

pass from the dead to the living in the first half of the 21st century. But the social impact of inheritance is more than a matter of money; it is also a matter of what money buys and brings about. Law and custom allow people many ways to pass on their property. As Friedman's enlightening social history reveals, a decline in formal rules, the ascendancy of will substitutes over classic wills, social changes like the rise of the family of affection, changing ideas of acceptable heirs, and the potential disappearance of the estate tax all play a large role in the balance of wealth. *Dead Hands* uncovers the tremendous social and legal importance of this rite of passage, and how it reflects changing values and priorities in American families and society.

Crying in H Mart Michelle Zauner
2021-04-20 A NEW YORK TIMES NOTABLE
BOOK OF THE YEAR • NEW YORK TIMES
BEST SELLER • From the indie rockstar of

Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and

meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Dark Sun Richard Rhodes 2012-09-18 Here, for the first time, in a brilliant, panoramic portrait by the Pulitzer Prize-winning author of *The Making of the Atomic Bomb*, is the definitive, often shocking story of the politics and the science behind the development of the hydrogen bomb and the

birth of the Cold War. Based on secret files in the United States and the former Soviet Union, this monumental work of history discloses how and why the United States decided to create the bomb that would dominate world politics for more than forty years.

A Dead Hand Paul Theroux 2009-11-03 Paul Theroux returns to India with a stylish and gripping novel of crime and obsession in Calcutta. In *A Dead Hand*, Paul Theroux brings to dramatic life a dark and twisted narrative of obsession and need. When Jerry Delfont, a travel writer with writer's block, receives a letter from a captivating and seductive American philanthropist with news of a scandal involving an Indian friend of her son's, he is sufficiently intrigued to pursue the story. Who is the boy found on the floor of a cheap hotel room, how and why did he die — what is it that pulls Delfont into this story, and will he ever find the truth about

what happened?

The Last Duel Eric Jager 2005 Presents a case of scandal, crime, and justice in medieval France, where a Norman knight returns from Scotland and finds his wife accusing an old friend and fellow courtier of raping her, leading to a battle to the death.

The Soviet Biological Weapons Program

Milton Leitenberg 2012-06-29 This is the first attempt to understand the full scope of the USSR's offensive biological weapons research, from inception in the 1920s.

Gorbachev tried to end the program, but the U.S. and U.K. never obtained clear evidence that he succeeded, raising the question whether the means for waging biological warfare could be present in Russia today.

The Dead Hand David Emanuel Hoffman 2011 This is a full account of how the Cold War arms race finally came to a close. The narrative history sheds light on the people who struggled to end this era of massive

overkill, and examines the legacy of the nuclear, chemical, and biological weapons that remain a threat today.

The Oligarchs David E. Hoffman 2011-09-13 In this saga of brilliant triumphs and magnificent failures, David E. Hoffman, the former Moscow bureau chief for the Washington Post, sheds light on the hidden lives of Russia's most feared power brokers: the oligarchs. Focusing on six of these ruthless men— Alexander Smolensky, Yuri Luzhkov, Anatoly Chubais, Mikhail Khodorkovsky, Boris Berezovsky, and Vladimir Gusinsky—Hoffman shows how a rapacious, unruly capitalism was born out of the ashes of Soviet communism.

The Day of the Jackal Frederick Forsyth 2012-09-04 THE CLASSIC THRILLER FROM #1 NEW YORK TIMES BESTSELLING AUTHOR FREDERICK FORSYTH “The Day of the Jackal makes such comparable books such as The Manchurian Candidate and The Spy Who

Came in from the Cold seem like Hardy Boy mysteries.”—The New York Times The Jackal. A tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown to any secret service in the world. An assassin with a contract to kill the world's most heavily guarded man. One man with a rifle who can change the course of history. One man whose mission is so secretive not even his employers know his name. And as the minutes count down to the final act of execution, it seems that there is no power on earth that can stop the Jackal.

Dead in the Water Matthew Campbell
2022-05-03 “A triumph of investigative journalism.” —Tom Wright, New York Times bestselling coauthor of Billion Dollar Whale
"Truly one of the most nail-biting, page-turning, terrifying true-crime books I've ever read." —Nick Bilton, New York Times bestselling author of American Kingpin From

award-winning journalists Matthew Campbell and Kit Chellel, the gripping, true-crime story of a notorious maritime hijacking at the heart of a massive conspiracy—and the unsolved murder that threatened to unravel it all. In July 2011, the oil tanker Brillante Virtuoso was drifting through the treacherous Gulf of Aden when a crew of pirates attacked and set her ablaze in a devastating explosion. But when David Mockett, a maritime surveyor working for Lloyd’s of London, inspected the damaged vessel, he was left with more questions than answers. How had the pirates gotten aboard so easily? And if they wanted to steal the ship and bargain for its return, then why did they destroy it? The questions didn’t add up—and Mockett would never answer them. Soon after his inspection, David Mockett was murdered. Dead in the Water is a shocking expose of the criminal inner workings of international shipping, told through the lens

of the Brillante hijacking and its aftermath. Through first-hand accounts of those who lived it—from members of the ship’s crew and witnesses to the attacks, to the ex-London detectives turned private investigators seeking to solve Mockett’s murder and bring justice to his family—award-winning Bloomberg reporters Matthew Campbell and Kit Chellel piece together the astounding truth behind one of the most brazen financial frauds in history. The ambitious culmination of more than four years of reporting, *Dead in the Water* uncovers an intricate web of conspiracy amidst the lawless, old-world industry at the backbone of our new global economy.

Our Own Worst Enemy? Sharon K. Weiner 2011 An examination of the effectiveness of knowledge nonproliferation programs implemented by the United States after the fall of the Soviet Union. When the Soviet Union collapsed in 1991, many observers

feared that terrorists and rogue states would obtain weapons of mass destruction (WMD) or knowledge about how to build them from the vast Soviet nuclear, biological, and chemical weapons complex. The United States launched a major effort to prevent former Soviet WMD experts, suddenly without salaries, from peddling their secrets. In *Our Own Worst Enemy*, Sharon Weiner chronicles the design, implementation, and evolution of four U.S. programs that were central to this nonproliferation policy and assesses their successes and failures. Weiner examines the parlous state of the former Soviet nuclear, biological, and chemical weapons complex, the contentious domestic political debate within the United States, and most critically, the institutional interests and dynamics of the Defense, State, and Energy departments, which were charged with preventing the spread of WMD expertise.

She explains why--despite unprecedented cooperation between the former Cold War adversaries--U.S. nonproliferation programs did not succeed at redirecting or converting to civilian uses significant parts of the former Soviet weapons complex. She shows how each of the U.S. government bureaucracies responsible for managing vital nonproliferation policies let its own organizational interests trump U.S. national security needs. *Our Own Worst Enemy?* raises important and troubling questions for anyone interested in understanding and improving policymaking and implementation processes in the area of nonproliferation and in U.S. national security policy more generally.

The Alice Network Kate Quinn 2017-06-06
Featuring an exclusive excerpt from Kate Quinn's next incredible historical novel, *THE HUNTRESS* NEW YORK TIMES & USA TODAY BESTSELLER #1 GLOBE AND MAIL

HISTORICAL FICTION BESTSELLER One of NPR's Best Books of the Year! One of Bookbub's Biggest Historical Fiction Books of the Year! Reese Witherspoon Book Club Summer Reading Pick! The Girly Book Club Book of the Year! A Summer Book Pick from Good Housekeeping, Parade, Library Journal, Goodreads, Liz and Lisa, and BookBub In an enthralling new historical novel from national bestselling author Kate Quinn, two women—a female spy recruited to the real-life Alice Network in France during World War I and an unconventional American socialite searching for her cousin in 1947—are brought together in a mesmerizing story of courage and redemption. 1947. In the chaotic aftermath of World War II, American college girl Charlie St. Clair is pregnant, unmarried, and on the verge of being thrown out of her very proper family. She's also nursing a desperate hope that her beloved cousin Rose, who

disappeared in Nazi-occupied France during the war, might still be alive. So when Charlie's parents banish her to Europe to have her "little problem" taken care of, Charlie breaks free and heads to London, determined to find out what happened to the cousin she loves like a sister. 1915. A year into the Great War, Eve Gardiner burns to join the fight against the Germans and unexpectedly gets her chance when she's recruited to work as a spy. Sent into enemy-occupied France, she's trained by the mesmerizing Lili, the "Queen of Spies", who manages a vast network of secret agents right under the enemy's nose. Thirty years later, haunted by the betrayal that ultimately tore apart the Alice Network, Eve spends her days drunk and secluded in her crumbling London house. Until a young American barges in uttering a name Eve hasn't heard in decades, and launches them both on a mission to find the truth...no

matter where it leads. "Both funny and heartbreaking, this epic journey of two courageous women is an unforgettable tale of little-known wartime glory and sacrifice. Quinn knocks it out of the park with this spectacular book!"—Stephanie Dray, New York Times bestselling author of America's First Daughter

The Dead Hand Book Sara Richard
2021-10-26 The Dead Hand Book is a memorial to mortality and the ancestral liaison with death through quiet and sweetly-macabre short stories. The Dead Hand Book is a memorial to mortality and the ancestral liaison with death through quiet and sweetly-macabre short stories. The collection of fables is inspired by the manner those long gone have had their memories engraved onto slate and marble stones with the cadence of an old Folk song or Murder Ballad. Tales of warning, the deepest loves honored by surviving

paramours and the indifferent cruelty of life in the 17th-20th century are all recorded in the Stories From Gravesend Cemetery. The purpose of this book is to educate the casual cemetery wanderer about how to read the old stones they pass by and to excite the #deathpositivity movement enthusiast or morbidly curious. This book aims help honor those who have come before us by opening the door of understanding the strange records inscribed in old cemeteries; many of those interred below having only that record of their life existing on a crumbling stone. The stories are short and often open-ended to allow the reader to contemplate their interpretation of the endings, maybe even their own mortality. (Much like the way Edward Gorey crafted his short stories.) Modern attitudes towards death have become sodden with superstition, misinformation and fear; this book's goal is to illuminate how those of the near past

embraced, cared for, and honored death as an obvious part of life. Not long ago art was very much an integral part of funerary celebrations such as elaborate Memento Mori carvings on ancient gravestones and the hair jewelry of the Victorians. Those relics are celebrated in The Dead Hand Book.

A Farewell to Arms Ernest Hemingway
2014-07-08 Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new insights into his creative process. Reprint.

The Daily Show (The Book) Chris Smith
2016-11-22 NEW YORK TIMES BESTSELLER
The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents,

writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a

scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. [The Curious Incident of the Dog in the Night-Time](#) Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old

autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him

face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

The Doomsday Machine Daniel Ellsberg
2017-12-05 Shortlisted for the Andrew Carnegie Medal for Excellence in Nonfiction
Finalist for The California Book Award in Nonfiction
The San Francisco Chronicle's Best of the Year List
Foreign Affairs Best Books of the Year
In These Times "Best Books of the Year"
Huffington Post's Ten

Excellent December Books List LitHub's "Five Books Making News This Week" From the legendary whistle-blower who revealed the Pentagon Papers, an eyewitness exposé of the dangers of America's Top Secret, seventy-year-long nuclear policy that continues to this day. Here, for the first time, former high-level defense analyst Daniel Ellsberg reveals his shocking firsthand account of America's nuclear program in the 1960s. From the remotest air bases in the Pacific Command, where he discovered that the authority to initiate use of nuclear weapons was widely delegated, to the secret plans for general nuclear war under Eisenhower, which, if executed, would cause the near-extinction of humanity, Ellsberg shows that the legacy of this most dangerous arms buildup in the history of civilization--and its proposed renewal under the Trump administration--threatens our very survival. No other insider with high-

level access has written so candidly of the nuclear strategy of the late Eisenhower and early Kennedy years, and nothing has fundamentally changed since that era. Framed as a memoir--a chronicle of madness in which Ellsberg acknowledges participating--this gripping exposé reads like a thriller and offers feasible steps we can take to dismantle the existing "doomsday machine" and avoid nuclear catastrophe, returning Ellsberg to his role as whistle-blower. The Doomsday Machine is thus a real-life Dr. Strangelove story and an ultimately hopeful--and powerfully important--book about not just our country, but the future of the world.

Dead Sea Scrolls Kenneth Hanson 1997
Hebrew scholar Kenneth Hanson captures all the mystery and excitement of the rediscovery of the scrolls, the half-century of intrigue that followed, and the ancient Hebrew sect that wrote, preserved, and died

defending these treasured works.
Raven Rock Garrett M. Graff 2017-05-02
Now a 6-part mini-series called *Why the Rest of Us Die* airing on VICE TV! The shocking truth about the government's secret plans to survive a catastrophic attack on US soil—even if the rest of us die—is “a frightening eye-opener” (Kirkus Reviews) that spans the dawn of the nuclear age to today, and “contains everything one could possibly want to know” (The Wall Street Journal). Every day in Washington, DC, the blue-and-gold first Helicopter Squadron, codenamed “MUSSEL,” flies over the Potomac River. As obvious as the Presidential motorcade, most people assume the squadron is a travel perk for VIPs. They're only half right: while the helicopters do provide transport, the unit exists to evacuate high-ranking officials in the event of a terrorist or nuclear attack on the capital. In the event of an attack, select

officials would be whisked by helicopters to a ring of secret bunkers around Washington, even as ordinary citizens were left to fend for themselves. “In exploring the incredible lengths (and depths) that successive administrations have gone to in planning for the aftermath of a nuclear assault, Graff deftly weaves a tale of secrecy and paranoia” (The New York Times Book Review) with details “that read like they've been ripped from the pages of a pulp spy novel” (Vice). For more than sixty years, the US government has been developing secret Doomsday strategies to protect itself, and the multibillion-dollar Continuity of Government (COG) program takes numerous forms—from its potential to evacuate the Liberty Bell from Philadelphia to the plans to launch nuclear missiles from a Boeing-747 jet flying high over Nebraska. Garrett M. Graff sheds light on the inner workings of the 650-acre compound, called

Raven Rock, just miles from Camp David, as well as dozens of other bunkers the government built for its top leaders during the Cold War, from the White House lawn to Cheyenne Mountain in Colorado to Palm Beach, Florida, and the secret plans that would have kicked in after a Cold War nuclear attack to round up foreigners and dissidents and nationalize industries. Equal parts a presidential, military, and cultural history, Raven Rock tracks the evolution of the government plan and the threats of global war from the dawn of the nuclear era through the War on Terror.

The Absolutely True Diary of a Part-Time Indian Sherman Alexie 2012-01-10

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high

school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

Give Me Liberty David E. Hoffman 2022-06-21 From the Pulitzer Prize-winning Washington Post reporter David E. Hoffman comes the riveting biography of Oswaldo Payá, a dissident who dared to defy Fidel Castro, inspiring thousands of Cubans to fight for democracy. Oswaldo Payá was seven years old when Fidel Castro seized

power in Cuba, promising to create a “free, democratic, and just Cuba.” But Castro instead created an authoritarian regime with little tolerance of free speech or thought. His secret police were trained to crush dissent by East Germany’s ruthless Stasi. Throughout Cuba’s 20th century history, the dream of democracy was often just within reach, only to be dashed by dictatorship and revived again by a new generation. Payá inherited this dream and it became his life’s work. As a teenager in Communist Cuba, he led a protest against the Soviet-led shattering of the Prague Spring. Before long, he was sent to Castro’s forced labor camps. Payá later became a leading voice of opposition and formed a pro-democracy movement. A devoted Catholic, he championed a simple, bedrock belief that rights are bestowed by God, and not the state. Every day, he witnessed these rights trampled in Cuba. He could not stay silent.

Payá’s most daring challenge to the Cuban government was the Varela Project, a one-page citizen petition demanding free speech, a free press, freedom of association, freedom of belief, private enterprise, free elections and freedom for political prisoners. More than 35,000 people signed the Varela Project, an extraordinary outpouring of protest—with nothing more than pen and paper—against Castro’s decades of despotism. The regime responded by ignoring the petition, arresting dozens of Payá’s followers and sending them to prison for many years. After receiving multiple death threats, Payá was killed in a suspicious car wreck on a remote country road. Pulitzer Prize-winning reporter David E. Hoffman returns with an epic portrait of a lone individual who had the courage, faith, and persistence to struggle for democracy against an unforgiving dictator. At its heart, *Give Me Liberty* is a sweeping account of

one country's tragic and continuing struggle for its freedom.

Red Star Rogue Kenneth Sewell 2006-09-26 Documents the true story of a rogue Soviet submarine's 1968 attempt to provoke a war between the U.S. and China by firing a missile off the coast of Hawaii, in an account that offers insight into the subsequent cover-up and the event's influence on U.S. negotiations with the USSR and China. Reprint.

The Dead Hand Volume 1: Cold War Relics Kyle Higgins 2018-10 Carter Carlson was a highly decorated operative during the Cold War. But in the fall of 1991, as the Soviet Union collapsed, Carter discovered a secret that not only changed his life...but also altered the course of history. Now, as the mysterious "Dead Hand" threatens to

end the world once again, the only thing standing in its way is the relationship between four old spies, a secret town, and a special little boy. Collects THE DEAD HAND #1-6

The House of the Dead Hand Edith Wharton 2004-06-01 It was not till five or six years later, when chance took him again to Siena, that the recollection started from some inner fold of memory. He found himself, as it happened, at the head of Doctor Lombard's street, and glancing down that grim thoroughfare, caught an oblique glimpse of the doctor's house front, with the Dead Hand projecting above its threshold. The sight revived his interest, and that evening, over an admirable frittata, he questioned his landlady about Miss Lombard's marriage.
