Semantics James R. Hurford 2007-04-19 This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate

students.

Conversational Italian for Travelers Kathryn Occhipinti 2015-05-15 If you are a teacher or student of Italian, you need this reference book! All the Italian grammar you need to know is set out in clear language with easy-to-read, color coded tables. Like the textbook from which it is derived, Just the Grammar focuses on the conversational use of Italian, with detailed explanations made interesting and fun by focusing on travel situations. Italian definite articles, nouns, adjectives, adverbs, possessive adjectives, object pronouns, the partitive and cognates are covered, with emphasis on Italian sentence structure and realistic examples from daily life. Also find excerpts from the "Numbers," "Verbs" and "Idiomatic Expressions" sections of the *Conversational Italian for Travelers* textbook. As a complete work in and of itself, this book makes learning Italian grammar really come alive!

Developing Writing Patricia Wilcox Peterson 1993

The Enforcement of Morals Patrick Devlin 2010-01-31 Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

The Vegan Power Janet Rowley 2017-06 Follow These Easy Vegan Recipes To Lose Weight, Feel Great And Learn How To Eat Better Are you tired of silently insulting yourself when you pass by a mirror? Are you constantly exhausted and filling your body with horrible sources of edible fuels in an effort to keep going? Do you want to eat healthier but do not know where to start? Korean for Beginners Henry J. Amen IV 2010-08-10 Have you ever considered learning Korean, but been put off by the unusual look of the characters? Don't let yourself be scared away! Korean has been called "the most logical language there is," and with this friendly and thorough introduction you will soon see why. The best way to learn Korean—this book uses a lighthearted, humorous approach. Korean for Beginners starts by showing you just how reasoned and logical the Korean alphabet, hangeul, actually is, and helps you master it faster than you learned the English alphabet. Realistic situations you might encounter in Korea in Korean-speaking environments are described, and new words are explained in terms of how you'll find them useful to communicate. Numerous illustrations enliven the text, downloadable audio lets you listen and repeat phrases in the book. Soon you'll be able to say with pride, "I know Korean!" Features of Korean for Beginners are: Learn to read Korean writing with ease. Practical phrases help you converse with confidence. A lighthearted "guide" walks you through, bringing the language to life. Downloadable audio with native Korean speakers help you to speak Korean like a pro. As the more than 1 million Americans who speak Korean can attest, the Korean language is here to stay, and generations of young (and older) adults are determined to learn it. This book is for people who want a grasp of how to speak, write and understand Korean—and who want to enjoy things while they're at it!

TRAVELLER BEGINNERS WORKBOOK

Travel English for Tourists Elizabeth Bannon Ph D 2017-06-12

This is the second book for J C Sum's "Unwritten: A Hands-off Book Test that Transcends Words." "Unwritten" is a professionally designed and produced book that allows you to bring the traditional book test beyond just words by incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory pattern presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing. Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work - No Sleight of Hand - No Memory Work or Cribs - No Assistants - Large Fonts Make the Text Easy to Read - Can Be Performed Stand-Alone or with Other Book Tests
